### SOCCER

Sportball's Soccer programs for kids introduce children to the fundamental concepts of the game in a fun, supportive, non-competitive environment. Coaches zero in on skills like dribbling, trapping, throw-ins, and passing through exciting, skill-focused play.

### PARENT & CHILD

You & your child (16months to 3 years) participate together in our weekly classes, developing fundamental sports & movement skills in a fun, caring, safe & high-energy environment.

### COACH & CHILD

Our certified coaches work directly with your children 3<sup>1/2</sup> years & up to improve their physical literacy by refining, rehearsing & repeating skills.

### A SPORTBALL BIRTHDAY IS A HAPPY BIRTHDAY!

Everybody wins when the coach throws the party! Thrill your child with a high-energy, action-packed party that will be remembered long after the candles are blown out.
